

WHO GREW YOUR FOOD?

20,000
U.S. farmworkers
are victims of acute
**PESTICIDE
POISONING**

1,000,000 people are victims of
PESTICIDE POISONING
with **300,000**
ENDING IN DEATH
(Annually)

**PESTICIDE
EXPOSURE**
leads to higher
rates of
**BIRTH
DEFECTS**
in farmworker
children

Farm work is one of the most dangerous jobs in the world

Farmworkers are
20x
more likely to
**DIE FROM
HEAT-RELATED
CAUSES**

than the rest of the U.S. workforce

Farmworkers
are excluded

in the U.S.
from many

LABOR

LAWS

that protect other workers

The tragedy of exploitation in the fields not only denies millions worldwide their fundamental human rights, it is a vulnerability to the sustainability of our food system

HERE'S HOW TO

SUPPORT FARMWORKERS:

- ✓ **SUPPORT FARMWORKER ADVOCACY CAMPAIGNS**
Find examples of organizations facilitating these campaigns at FairWorldProject.org.
- ✓ **LOOK FOR PRODUCTS CARRYING FARMWORKER UNION LABELS**
- ✓ **LOOK FOR PRODUCTS CARRYING LABELS OF STRONG CERTIFICATIONS**

These recommendations are based on our report *Justice in the Fields: A Report on the Role of Farmworker Justice Certifications and an Evaluation of the Effectiveness of Seven Labels*.
If we support strong, pro-farmworker policies & choose products that are held to high standards, together we can improve the circumstances of farmworkers around the world.

PROGRAMS HIGHLY RECOMMENDED:

PROGRAMS RECOMMENDED WITH QUALIFICATIONS:

PROGRAMS TO APPROACH WITH CAUTION:
